Kia Ora Saints:

Presently I am in the middle of my deputation trek. God is blessing and His people are treating me in a princely manner. The churches are gracious in the way I am being received and I praise my Lord for the way you are loving me. Sweet people, I am in your debt.

Presently I am writing from the heart of Texas and the brethren here truly have big hearts. I have been preaching in the Houston area and will be here for a couple of weeks.

God bless you sweet people. Until next month...

In His Love,
Gary Max
