"Kia-Ora" Saints:

I'm back again in Kiwi-Land, and it's good to be Home once more. America is Home away from Home. This is a report filled with **Thanksgiving**:

1) First, I want to give thanks to my Sponsoring Church Family and her Great Pastor: I am blessed indeed to have such quality Brethren back stateside as my support team. I am privileged to serve in the ministry of this Fine Church.

2) Secondly, once again I'm pressed in heart to thank my Lord for the Special Churches I was blessed to visit while on deputation: You are to all be commended for your great love shown me. Your Fellowship I will cherish in the many days that lie ahead.

3) Thirdly, upon my return I found a Church Family here in Dunedin healthy and flourishing Spiritually: I am Blessed to report in my absence the **Salvation** of **Six** in our teenage ministry. I am thrilled to undershepherd people with such heart.

4) Lastly, I must thank my sweet Lord for making all this possible by his Great Grace!

As you can see I am a Man Blessed indeed!

Blessed beyond measure!

Blessed by the Master!

Special People, I thank the Lord for You!

God Bless until next month ...

In His love,

Brother Max
