"Kia-Ora" Saints:

This month has been a time of Health Glitches, Building Glitches, and Computer Glitches. The health problems are minor, Thank You Lord. The Building difficulties are with some roof leaks and plumbing problems. These are being sorted out one by one. The computer problem on the other hand involved ... Death. We mourn the loss. Alas the computer died. It could not be resurrected. Get this I even had to preach a sermon the old fashion way without computer assistance and Bible Study Programs. I still remember how to do that ... Can you imagine that? And it came out pretty good. So this is my first bit of business on a new computer. I have Good Business to report of. "As cold waters are to a thirsty soul; so is **Good News** from a far country," (**Prov. 25:25**).

In spite of all the aforementioned glitches God has added to our Church Fold. Two Precious Souls have made professions of faith and they will follow their Lord into the waters of baptism this Sunday. **Sue** has been visiting for a number of weeks. She said that she has found what she was looking for. It was a Spiritual Home with us. **Ted** is a young man who is the first fruits of our youth ministry. He was saved as part of our youth outreach; and now he has decided to follow his Lord in Service. He is the first of **Six Souls** that have been saved as a result of our Friday Night Youth program. We rejoice in these additions. Pastor Dan reports that we are running in the thirties on Friday Night.

Presently we are running in the Sixties in our worship services on Sunday and in the Forties on Wed. Nights. We still have several visitors coming who need to make decisions for the Lord. Pray for these souls. Thank You Sweet People, for your on-going Prayers and Loving Support. We are indebted to you for your Faithfulness. We here in New Zealand, Thank the Lord for you. Until next month ... God Bless

In His love,

Brother Max
