“Kia-Ora” Brethren:

God is just ... So Good. How many times have we heard that? It is because He is. In fact **Zechariah** of old puts it this way ....“ **For how Great is his Goodness and how Great is his Beauty!** ”, (**Zech. 9:17**). Well God is that Good and He continues to Beautify our Lives with His Son. He continues to manifest his Great Goodness to us who are “Down Under”.

I mentioned last month that we had Two to Baptize. Well on the day a Third came forward expressing their faith in Christ Jesus and we were privileged to Baptize Three. Again God has added to our number with Sister Cindy. There were a great many more under conviction that day as well. So God is dealing with a great many souls who are attending. We thank Him for his Spirit, convicting the hearts of those that hear His Truth. Cindy comes right on the heels of a broken heart. Her husband claiming to be a Christian proved unfaithful to her after thirty years of marriage and ran off with a woman half his age. Some Christian Ugh? No Christian for sure! Emotionally shattered she began attending approx. three months ago. Jehovah-Rapha has begun his healing process in her soul. We rejoice in her progress. Her family also did not want her attending with us because of their Charismatic Warp. She has overcome all this so called family support and religious help and she has chosen **Jesus’ Help** instead ... Amen! “**The Lord is my Strength and my Shield. My heart trusted in Him, and I am Helped.**”, (**Ps. 28:7**). She is such a Blessing to our Church Family as God begins her Life Anew in Christ Jesus, (**II Cor. 5:17**).

I also want to take this opportunity to express my thanksgiving to God for Sweet Churches like You, who continue sacrificing to support us in our King’s Cause in the in the Pacific - Asia Rim. May God Bless you richly is our prayer. Thank You Special People for who you are in Christ. Until next month ...

In His love,

Brother Max
