“Kia-Ora” Brethren:

Special “Thank-You’s” are in order: We appreciate all the Churches that have responded for the shortfall in my medical expenses. After our insurance program informed us in their “fine print clause” concerning the unexpected \$16,000 that we are going to have to assume for my upcoming surgery, we were more than a little bit disappointed. But we have a God who specializes in taking care of disappointments and often He does so through His Churches. “Thank You, Sweet People for your Graciousness in this area. We thank God for You! My surgery is just a couple weeks off now. Please hold us up before God’s Throne in this area.

I will be out of pocket for several weeks recuperating after my surgical procedure, but I have this great ministerial crew in place to pick up all the slack in preaching and pastoring in my absence. Pastor Dan and the rest of the preachers in this Church Family are going to do great without me. It is such a Blessing to have such Quality Christians around me. I am so very Blessed!

Pastor Dan and I have just finished up our half year courses on the Christian Home. We split the Church Family into two components in home groups meeting on Mon. and Wed. Nights. Everyone was excited about coming together for our regular Wed. Night prayer meeting again. But this Fellowship will be short lived, because as soon as I am able to resume my preaching and ministering, we will again divide the Church Family up in two groups again. This time it will be Women’s Group with my Wife leading out, and Pastor Dan and myself will take the men as we continue our year long program promoting the Family and Marriage. Everyone seems excited about these studies too along with their Pastors.

God has again added to our number with Peter and Claire following their Lord into the waters of baptism. I mentioned their professions of faith in my last report. We rejoice in these additions. Until next month rejoice with us, dear brethren. God Bless

In His love,
Brother Max

Dear Brethren,

Thank you so much for the response in helping with Bro. Max’ surgery costs. Your love for this missionary has truly overwhelmed us. Please remember Bro. Max on July 25th as he has the surgery.
