"Kia-Ora" Saints:

Another month has flown by and God is so good. His grace is abundant. God has blessed us with the salvation of four precious souls. Three of these professions of faith have come once again thru our youth outreach program. The fourth was a lady led to the Lord by one of our Church members, Craig Schoullar.

We have a family that has been attending on a regular basis for the past month. Also, as mentioned in my previous reports, David Brett, an attorney we led to the Lord ten years ago, is coming to services on a regular basis and is showing interest in Baptism. David is also a professional musician so would be a blessing musically in worship.

Again I want to express our gratitude to all the Churches who have helped us with our medical and car fund this past year as well as each assembly that has continued to sacrifice through the years. We continue to thank the Lord for all you sweet people. God has met each and every need through you.

The following testimony is from a young man named Ted. He never misses a service and has a quiet, yet genuine love for God. He is a blessing!  
Bro. Max

### ***Meet Ted:***

I'm almost 17 years of age and attend high school. I've always had an interest in God and a certain amount of respect for Him. It wasn't until I was invited to a youth program called 'Jolt' that I started hearing about Jesus and my need to be saved. After several months of attending I asked Him into my heart. After that, my outlook on life began to change. I started attending church services and learned about following Jesus. I was Baptized in May 2007 and have been a member ever since. I didn't know life could change so much for me. My friends don't understand why I am Christian. I just tell them that God loves me and He makes me happy.
