Ohio Missions

October 2007

Email: rodshaull@yahoo.com

It was another wonderful month for Ohio Missions. I have been in California since October 18th on deputation and the people in Clyde carried on without me! They averaged 55 for the month of October and we continue to see visitors in every service. We are excited about a couple who are looking for a church home. They visited with us recently, having traveled over 60 miles one way to attend services. We are praying that they will want to become part of this work in Clyde.

Last month I told of a need we had to purchase a mower, a shed to store it in, and a cover for the front steps of the mobile chapel before winter so as to keep people safe when they enter the building. God answered most of our prayer as a couple whom we have known for a long time gifted us with a check for \$8,000 for the mower and the shed. We truly praise the Lord for this couple and their love for the Lord's work in Ohio. We still have a need for the cover over the steps. Please help us accomplish this.

I want to thank the churches for having me visit them, and for their support for Ohio Missions. I will be heading home on the 14th of November. We love you all and know this work is being done because of God's wonderful graces, His churches and their faithful support and prayers.

In His Service,

Rod Shaull
