Ohio Missions

March 2008

Email: rodshaull@yahoo.com

Once again it was another great month for Ohio missions. The weather was bad almost the whole month. We had one ice storm that left us with about 3/4 inch of ice everywhere. We had to cancel a Wednesday evening service. Then a week later we had 12 inches of snow dumped on us forcing us to cancel a Sunday service. We had record snow falls this year, over 60 inches of snow plus high winds. But we believe spring has finally arrived, as its been in the 60's two of the last three days.

We continue to have sickness among our membership. We averaged 45 for March. The Lord blessed us with the salvation of two precious souls. Leslie in California by phone and one of our church members who believed she was saved, but wasn't. Carrie will be baptized shortly.

We continue to grow in the grace and knowledge of Jesus Christ and our group is very close to each other. Mom's estate is being taken care of and we hope to start building soon. Please pray for us as we want nothing more than to praise the Lord and help with the building would be great. Love you all.

Elsie Ernsberger's letter

My name is Elsie Ernsberger, I was a Lutheran for over 50 years. I was led to the Lord by Bro Rod Shaull on December 5, 1994. I am 79 years old and I live in Clyde, Ohio. I was married in 1955 to Kenneth. He passed away May 13, 1999 on his birthday. I am a member of Shiloh Missionary Baptist Chapel in Clyde, Ohio. It's a loving church and everyone is very special. Pastor Rod has taught me so much. I feel love and loved as soon as I walk in the door. God blesses me everyday. He blessed me with eight children and many, many grandchildren.
