We had another good month in Ohio. In May the weather was up and down like a yo-yo. But I guess we can say summer may be here. The last two days it has been hot, hot, hot over 95 degrees with a lot of humid weather. We averaged 46 for the month of May. We had several first time visitors and lots of returning ones. We baptized one in May and still have several that need to become obedient to the Lord's command and follow Him .

We have received a couple of offers on the house mom left to the church. We are want to sell it and see what God has for us next. It is a very hard lesson to learn. That is not running ahead of God's leadership. The waiting is the hard part. We wanted it last year. But as I have said in many of my reports, by waiting for the Lord to open doors, we are still debt free and we praise the Lord for that. T

The people continue to grow in the Lord, some faster than others. We know God is watching over us. We want a strong Christ-centered work in Clyde, Ohio so we can branch out to do mission work in Ohio. Please pray for us as we continue to labor for the Lord in Clyde. We had a great Mother's Day crowd and mother's were honored in a special way, not just on Mother's Day but the other 364 days a year. Some of our doer folks are dealing with heath problems please pray for them. We just want to serve the Lord in Clyde, Ohio and will continue until He comes for us or takes us home. Thank you for your love, prayers and support over the years. We still need your help to finish up this work.

In His Service,

Rodney Shaull

Mama Nita's letter for the month of May

I was raised in Kentucky and we had to walk most places. I went to church with my mom when I was young. She always took the neighbor's kids also. We went to the Church of Christ. My mom had been a child of God since she was 18 years old. She was 99 years old when the Lord called her home 2 1/2 years ago. She loved the Lord and her life showed it. I was saved when I was a teenager but strayed from the Lord. But when I started going to Shiloh Missionary Baptist Chapel, Bro. Rod and Sis Kathie sure knew how to make you part of their family. I have never been to a church where so much love is shown to everyone, and everybody that comes to Shiloh can feel that love. The Lord sure has blessed us with Bro. Rod. I rededicated my life to the Lord on July 2, 2002 and was baptized by Shiloh MBC, and I thank God for bringing them into my life. Shiloh Missionary Baptist Chapel is a church that praises the Lord and is filled with love.
