

Rod Shaull

Ohio Missions

August 2008

Email: rodshaull@yahoo.com

Once again it is report time. We have had a strange summer in Ohio. Hot, hot, hot, over 20 days in the nineties. We are thankful for central air. We have not had any measurable rainfall since July 3rd. We continue to have visitors in our services. One is coming because she liked the way my grandson Zachary carries himself where he works. She says he is one of the finest young men that she knows. Praise the Lord.

Some of our older members continue to have some health problems and have been unable to attend like they want to. We averaged 44 for the month of August with school back in, we will be praying that our attendance perks up. We are out doing visitation on Thursday evening and telling people we are here for the long run. We still have several people who need to make moves for the Lord. They have been witnessed to and it's God's turn to take care of the conviction part and to move them out for His service. What really thrills this pastor's heart is to see the young Christians grasping the teaching from God's word. They continue to put it into practice in their daily lives.

We had a young man we have been dealing with that took his own life. I preached his funeral and several people told me they knew Christ as their personal Savior. This young man was the father of our great nephew who choked to death on a grape in June of 2005.

On a more positive note we have sold mom's house and received a little over \$65,000.00 for it. We praise the Lord and watched His hand at work in this matter as there are over 150 houses for sale in Clyde. But God sold ours first. Brethren, we need to build our first building. Will you help us make this a reality? I am of the belief that God will help us through His people to do this debt free. So far it has been that way and there is no reason to doubt Him now. Any offering that can be sent would be greatly appreciated. It is God's work and it will continue to be. We have followed His leadership all the way and have showed the patience that He has asked of us. So please help us show people just how great a God we serve. I want to thank everyone who had a part in the support (both with money and most of all by your prayers) of this ministry.

In His Service,
Pastor Rod Shaull
